How your donation helps!

When you donate to Communities In Schools of Clark County, you are providing students with the resources they need in order to succeed in life.

Some Clark County students do not have coats to stay warm in the winter, that's where your donation counts! Make a donation this winter to help us provide each and every student in need with a winter coat! This winter we are hosting our Bare Necessities Campaign! You can make a difference by texting CIS to 91999 or by following the links provided in the email. Our goal is to provide 120 students with new warm winter coats. With your help we can provide for kids in need!
