### How your donation helps!

When you donate to Communities In Schools of Clark County, you are providing students with the resources they need in order to succeed in life.

Some Clark County students do not have coats to stay warm in the winter, that's where your donation counts! Make a donation this winter to help us provide each and every student in need with a winter coat! This winter we are hosting our Bare Necessities Campaign! You can make a difference by texting CIS to 91999 or by following the links provided in the email. Our goal is to provide 120 students with new warm winter coats. With your help we can provide for kids in need!

### Our Big Move!

The rumors are true, our office has been relocated to behind Mike's Carwash on the corner of Hamburg Pike & Veterans Parkway at 4403 Hamburg Pike, Suite C, Jeffersonville, IN 47130! Entrance to our suite can be made through the front door under the TaxSpeaker sign. As CIS of Clark County has expanded, the Leadership Team has grown! This new office building will allow our staff the space they need to help students in Clark County. The new office building is centrally located in the county with easy access. We will be having an official ribbon cutting and open house in January, stay tuned for details!

**“Good morning! My name is Sarah Hockersmith, and I teach fifth grade at Parkwood Elementary School. Janet Clark works in our building with our students. Several weeks ago, one of my students was in the office serving a detention. I had sent his work to the office for him to complete throughout the day. As**

he was working, he was having difficulty with some of the work. Mrs. Clark asked him if he needed some help. After that day, when the student would see Mrs. Clark in the hallway he would wave and smile."
