### We've been selected to participate in Brackets For Good Indiana!

We are excited to have the opportunity to participate in Brackets For Good's Indiana Tournament! Proceeds from this event will help us raise money to support our 3,2,1 Read Program. We are in constant need of new books to provide to struggling readers.

You can help us advance and provide students with new books by creating a donor profile, making a donation to CIS of Clark, and spreading the word about our participation in this event through social media or other communication.

## Commonwealth Theatre

Thanks to a grant provided by Indiana Arts Commission and funding support from Duke Energy Foundation, we are able to provide Commonwealth Theatre for our 7th year!

This outreach program allows students with the chance to enjoy a live theater performance, an opportunity they may not otherwise get.
