### The Princess Dance

The Princess Dance was a huge success! Daughters and a significant adult in their life had a wonderful time making memories together.

"My daughter really enjoyed the Princess Dance. It was so sweet to see all of the girls dressed up as little princesses. This is a memory that her and her dad will cherish for years to come."

We would like to wish a special thanks to NEXGEN high school students with Leadership Southern Indiana for their work on this event. We would also like to thank our sponsors:

- Atlas Business Forms- Jeff Keithley

## The Dictionary Project 2018

Every year, we provide all 3rd Grade students in Clark County with free dictionaries! This year, The Dictionary Project was sponsored by The Rotary Club of Jeffersonville. Students find use out of these dictionaries by looking up words they do not understand or using the dictionary to learn stronger words to use in their writing.
